Thank you for completing TSI prep hours on Edgenuity. You will be scheduled for testing this week, and will receive an e-mail with specific testing instructions once you have completed this step. You MUST COMPLETE THE TSI PRE-ASSESSMENT KNOWN AS PAAM, within the next 48 hours.

The PAAM is a required online practice exercise that MUST be completed BEFORE students can attempt the TSI Assessment. The purpose of the PAAM is to give students an opportunity to be exposed to the types of questions they will see on the TSI Assessment. Upon completion of the PAAM, students are instructed to email proof of completion to Ms. Gutierrez or Ms. Rivera, before a TSI Test session can be finalized.
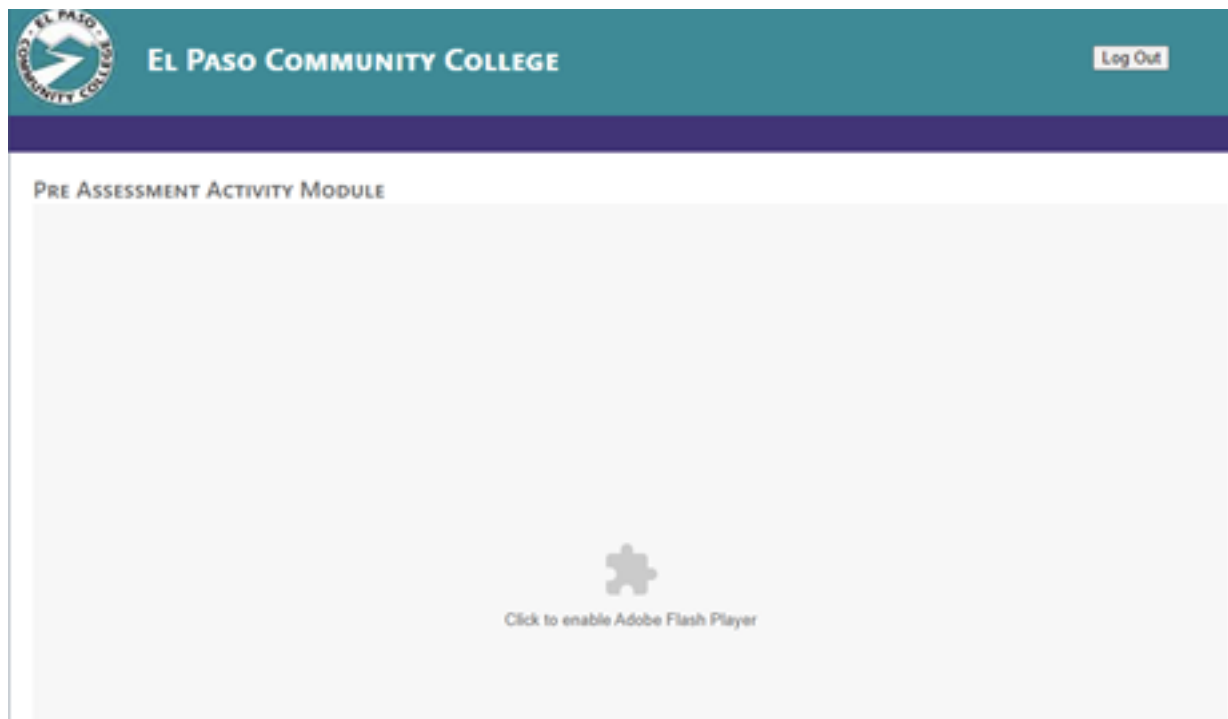

In order to complete your PAAM, you will need to visit https://start.epcc.edu/PreAsmt/Login.aspx?ReturnUrl=/PreAsmt
